Sustains Overworked Men and Women

Duffy's Pure Malt Whiskey overcomes general debility, exhaustion and weakness, from whatever cause. It is always prescribed by doctors for broken-down men delicate women and sickly children. It is an absolutely pure, gentle and invigorating stimulant and tonic; builds up the nerve tissues; tones up the heart; gives power to the brain, strength and elasticity to the muscles and richness to the blood. It brings into action all the vital forces; it makes digestion perfect and enables one to get from food all the nourishment it contains. It is a promoter of health and longevity—rakes the old young and keeps the young strong.

Duffy's Pure Malt Whiskey cures coughs, colds, consumption, grip, bronchitis entarrh, pleurisy, pneumonia and all diseases of the throat and lungs; nervousness, mularia and all low fevers. More than 7,000 physicians prescribe it regularly and it is used exclusively in over 2,000 hospitals. Duffy's is the only whiskey recognized by the Government as a medicine. This in itself is a guarante.

CAUTION.—When you ask for Duffy's Pure Malt Whiskey be sure you get the genuine. Unscrupulous dealers, mindful of the excellence of this preparation, will try to self you cheap imitations and malt whiskey substitutes, which are put on the market for profit only, and which, far from relieving the sick, are positively harmful. Demand "Duffy's" and be sure you get it. It is the only absolutely pure Malt Whiskey which contains medicinal, health-giving qualities. Duffy's Pure Malt Whiskey is sold in sealed bottles only; never in flask or bulk. Look for the trade-mark, the "Old Chemist," on the label, and be certain the seal over the cork is unbroken Beware of refilled bottles.
